### **COMPENSATION COMMITTEE CHARTER**

#### **I. Purpose**

The Compensation Committee (the "Committee") of the Board of Directors (the "Board") of Broad Street Realty, Inc. (the "Company") is appointed by the Board to: (a) assist the Board in discharging its responsibilities relating to compensation of the Company's directors, Chief Executive Officer (the "CEO"), and other executive officers (collectively, including the CEO, the "Executive Officers"); and (b) to the extent applicable to the Company, to produce an annual report on executive compensation for inclusion in the Company's proxy statement, in accordance with applicable rules and regulations. The Committee has overall responsibility for approving and evaluating all compensation plans, policies, and programs of the Company as they affect the Executive Officers. The Committee shall undertake those specific duties and responsibilities listed below and such other duties as the Board shall from time to time prescribe. All powers of the Committee are subject to the restrictions designated in the Company's Amended and Restated Bylaws (as may be amended or restated from time to time, the "Bylaws") and by applicable law. Nothing in this Charter shall be construed as precluding discussion of CEO compensation or other compensation matters with the Board generally.

#### **II. Committee Membership**

Committee members shall be appointed by the Board, based on the recommendation of the Nominating and Corporate Governance Committee, and shall serve until their successors shall be duly elected and qualified or until their earlier resignation or removal. Committee members may be removed at any time by vote of the Board. Committee members may resign from the Committee at any time without resigning from the Board.

The Committee shall consist of no fewer than two non-management members of the Board.

During any period in which the Company has a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), if the Committee has any members who do not qualify as "non-employee directors" as defined in Rule 16b-3 (or any successor thereto) promulgated under the Exchange Act ("Rule 16b-3"), any grants of equity to any executive officer of the Company shall be approved by either (a) the full Board or (b) a subcommittee of the Committee, or a separate committee of the Board, in each case comprised of at least two members, all of whom qualify as "non-employee directors" as defined in Rule 16b-3.

#### **III. Structure and Meetings**

The Committee shall conduct its business in accordance with this Charter, the Bylaws and any direction by the Board. The Committee chairperson shall be designated by the Board, or, if it does not do so, the Committee members shall elect a chairperson by a vote of the majority of the full Committee. In the event of a tie vote on any issue, the chairperson's vote shall decide the issue.

The Committee shall meet from time to time at a time and place determined by the Committee chairperson, with meetings to occur, or actions to be taken by unanimous written consent, when deemed necessary or desirable by the Committee or its chairperson. Members of the Committee may participate in a meeting of the Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation shall constitute presence in person at such meeting.

The Committee chairperson will preside at each meeting and, in consultation with the other members of the Committee, will set the frequency and length of each meeting and the agenda of items to be addressed at each meeting. The chairperson of the Committee (or other member designated by the chairperson or the Committee in the chairperson's absence) shall regularly report to the full Board on its proceedings and any actions that the Committee takes. The Committee will maintain written minutes of its meetings, which minutes will be maintained with the books and records of the Company.

As necessary or desirable, the chairperson of the Committee may invite any director, officer or employee of the Company, or other persons whose advice and counsel are sought by the Committee, to be present at meetings of the Committee, consistent with the maintenance of confidentiality of compensation discussions. The CEO should not be present during voting or deliberations on the CEO's compensation.

The Committee may form and delegate authority to subcommittees when appropriate. The Board may assign any duties of the Committee outlined in this Charter to another committee of the Board in whole or in part from time to time as the Board may determine subject to applicable laws and regulations.

#### **IV. Committee Authority and Responsibilities**

The Committee shall:

1. Annually review and approve the Company's corporate goals and objectives relevant to CEO compensation, evaluate the CEO's performance in light of such goals and objectives, and, either as a Committee or together with independent directors of the Board (as directed by the Board), determine and approve the CEO's compensation level based on this evaluation, to the extent not otherwise determined by an existing employment agreement or arrangement approved by the Board and/or the Committee. In determining the incentive components of the CEO's compensation, the Committee may consider a number of factors, including, but not limited to, the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies, and the awards given to the Company's CEO in past years.
2. At least annually review and approve (or make recommendations to the Board regarding approval of) the following with respect to the Executive Officers other than the CEO: (i) annual base salary levels; (ii) annual incentive compensation levels; (iii) long-term incentive compensation levels; and (iv) any supplemental or special benefits.

4. Annually review and make recommendations to the Board with respect to non-CEO compensation, incentive compensation plans and equity based-plans.
5. Administer the Company's incentive compensation plans and equity-based plans as in effect and as adopted from time to time by the Board, to the extent such administration is not delegated, in whole or in part, to any other committee of the Board or officers of the Company or otherwise retained by the Board.
6. Review and approve any new equity compensation plan or any material change to an existing plan where stockholder approval has not been obtained.
7. Review and approve any stock option award or any other type of award as may be required for complying with any tax, securities, or other regulatory requirement, or otherwise determined to be appropriate or desirable by the Committee or Board.
8. Ensure appropriate overall corporate performance measures and goals are set and determine the extent that established goals have been achieved and any related compensation earned.
9. If and for so long as the Company qualifies as a "smaller reporting company Exchange Act, the Committee may recommend to the Board whether, and to what extent, the Company will use applicable exemptions for smaller reporting companies related to compensation that may be available, including, for example, exemptions from requirements to hold an advisory stockholder vote on executive compensation, compensation-related disclosures required by the Securities and Exchange Commission ("SEC") and requirements to include a Committee report in the Company's annual proxy statement and Annual Report on Form 10-K required to be filed with the SEC.
10. Review and discuss with the Company's management the compensation-related disclosures required to be included by the SEC in the Company's annual proxy statement or annual report on Form 10-K to be filed with the SEC, including as applicable, the Company's "Compensation Discussion and Analysis"; and, as applicable, recommend to the Board whether or not to include such "Compensation Discussion and Analysis" in such proxy statement or annual report.
11. To the extent applicable, produce a Committee report on executive compensation to the extent required to be included in the Company's annual proxy statement, annual report on Form 10-K or other filing required to be made with the SEC.

12. To the extent applicable, oversee the Company's policies regarding tax deductibility of executive compensation, provided that the Committee shall retain the flexibility to pay compensation that is not eligible for deduction under Section 162(m) as it deems appropriate.
13. Oversee the Company's compliance with applicable SEC rules and regulations regarding stockholder approval of certain executive compensation matters, including advisory votes on executive compensation and the frequency of such votes.
14. Monitor and evaluate the Company's exposure to risk in connection with compensation of Executive Officers and non-employee directors.
15. Perform such other functions and have such other powers consistent with this Charter, the Bylaws and governing law as the Committee or the Board may deem appropriate.

#### **V. Performance Evaluation**

The Committee shall perform an annual evaluation of the Committee's own performance. The Committee also shall annually review and assess the adequacy of this Charter and the Committee's structure, membership, member qualifications, and operations and recommend any proposed changes to the Board for approval. The report to the Board may take the form of an oral report by the chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.

#### **VI. Committee Resources**

The Committee shall be empowered, without the approval of the Board or management, to engage and compensate independent legal, accounting and other advisors ("Compensation Advisors"), as it determines necessary to carry out its duties. The Committee shall have the sole authority to retain, obtain the advice of, and terminate any Compensation Advisor, shall be directly responsible for appointing, compensating and providing oversight of the work of the Compensation Advisors, and shall, prior to hiring each Compensation Advisor, consider all independence criteria for such Compensation Advisor, in accordance with applicable SEC rules. Any such consultants shall report directly to the Committee. The Committee shall receive appropriate funding, as determined by the Committee, from the Company for payment of: (a) compensation to any advisor retained by the Committee, including any Compensation Advisors; and (b) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

#### **VII. Disclosure of Charter**
